The Grasswalker

Author's Notes:
A silly drabble based on a true personal phobia... ;-)

"Come on, come over here."

"I thought I could but... I can't."

Eddie laughed.

"Yes, you can."

Stone tentatively walked to the edge of the outdoor tiled patio. He was barefoot.

"Step in the grass," Eddie said.

Stone looked at Eddie standing in the grass, waiting for him.

"Nothing bad's gonna happen."

"What about the bugs? In the grass."

"They're more scared of you than you of them. They'll crawl away when your feet approach."

Stone looked down at his feet and then up at Eddie.

"I'll try again tomorrow," the guitarist said as he walked back into the house.
